

# level Keypad

Discreet design. Easy access.

## Designed with Precision

Maintain exterior aesthetics with secure, nearby Keypad access. Works with all Level Locks and Level Bolts.

## You're in control

Whether you have renters, a dog walker, cleaning service, or contractors, now you have a secure way to let them in easily.

## Great for Guests

Need to let someone in when you're not around? With the convenience of our Keypad, you can let trusted visitors into your home, even if they don't have a phone or key.

## Wireless & Waterproof

You can install Level Keypad anywhere near Level Lock+ or Level Bolt. Keep it hidden, or show it off.

## One Touch Locking

Quickly lock your door by pressing the checkmark button on your way out. Unlock via 4-6 digit code.

## LED Backlit

No need to shine a light, Level Keypad's LED backlighting allows you to easily enter key codes, even in the dark of night.

## Level Compatible

Works with every Level Smart Lock.
